June Club note on Club activities

Dear NBCC Club members: I hope this finds you healthy and doing well. After conferring with your club officers we have decided on the following course of actions through June:

- Even with the easing of COVID19 restrictions on restaurants and small gatherings, we cannot expect those that signed up for events this year to be obligated to hold them.
- Some of you may feel differently and would consider attending an event if the proper precautions were taken. With that in mind, we feel anyone wishing to organize a "non –contact NBCC drive" can do so and we will promote it to the membership.
- I would like to hold a "British Car Day" in the AMC Theater parking lot on June 20th, weather permitting. Being outside we will be able to preserve social distancing individual protections.
- Kars for Kids is planned for Saturday June 27th at the Tennessee Baptist Children's Home
- We are making plans to hold our 30th Annual Car Show on October 10th at the Baptist Children's home and **registration is now open!**

New Members:

- Sam Singletary and Maggie Barnes Car: 1980 MGB LE
- Dan and Peggy Sheppard Cars: 1959 Triumph TR3A, 1965 Triumph Herald

Here are 15 British cars you may not have heard of. Mike Long owns #2.
