

After reviewing recent news concerning COVID19 your board conferred and has decided to take action with the consensus being that we should curtail club group sponsored dinners. Here are the steps we are taking:

1. There will be no March Dinner next weekend and the April Dinner will also be cancelled.
2. The April drive destination asked us to postpone our visit so; there is currently no planned April Drive.
3. Weather permitting, we still plan to hold British Car Day next Saturday and the third Saturday of each month at Cars 'N Coffee in Cool Springs.
5. We will take the next few weeks to revisit this action and revise as appropriate.

If you have any thoughts on these actions you would like to share with the officers, respond to me and I will share them.

Like everyone we are sorry and concerned about the situation but, we feel it is better to prepare for the worst and hope for the best.

If you do plan on a night out, please consider supporting our sponsor, the Bavarian Brewhaus at Opry Mills, as I received this response from our friend, club member and restaurant partner Mike Gillespie to our postponement:

"Chip, I hate it but understand.We have been taking amazing measures to clean everything to make sure we have an almost sterile environment. It is cleaner than the day we opened."

Best regards,

Chip Hanback
