

## **SAVE THE DATE!**

We have been in contact with the administration at the Tennessee Baptist Children's Homes in Brentwood regarding this year's April KARS4KIDS show.

Last year's event was cancelled due to COVID-19 concerns, and the campus is for the foreseeable future still closed for events to protect the residents, and that, coupled with ongoing on-campus construction, forced us to look for an alternate venue.

Thankfully, in our effort to continue to fund the Children's Activities Programs at the Brentwood campus of the Children's Homes, the ELKS Lodge #72 in Franklin, which hosted our Spooks and Spokes Show last October, has graciously agreed to host KARS4KIDS in 2021.

This venue is ideal in all respects (plenty of paved parking, rest rooms, food availability, indoor seating, etc.), and the bonus is there is no cost to use the facility, as the ELKS clubs across the USA support helping children and community outreach in general.

This allows us to earmark 100% of the car show proceeds to the kids, with a big thanks to O'Reilly Auto Parts for supplying the show trophies.

So, please mark your calendars, tell your friends, and also let us know if you can help your club put this on by helping with the event, and support the kids at the Tennessee Baptist Children's Homes in Brentwood.

**THANK YOU!**
